PRODUCT SHEET

LYNX BLUETOOTH

FEATURES

Gecko Control System

The Lynx features Gecko controls, which are widely recognised across the industry as being class-leading. Designed and built in North America, Gecko is renowned for reliability, ease of use and low running costs.

Comfort Lounge Seat

Lay back and look up at the stars in the Lynx's non-float lounger seats. Our loungers are designed to hold your body firmly to the acrylic shell, giving you a perfect hydrotherapy massage. Suitable for people up to 6'3".

LED Mood Light

The Lynx is installed with the latest LED mood lighting, no matter what your mood there is a setting for it. With up to 10 different sequences from strobe to fade you will love the flexibility with this feature.

Clear Water System

This hot tub is equipped with a state of the art no-bypass filtration system and an ozone disinfection system. Better filtration means more joy and longer product life.
